The above are sites that we oversee. Homer, Anchor Point and Deep Creek are under Homer SAFE KIDS. Seward has their own sites.

Our Captain Cook Site was vandalized. It was completely destroyed and PFD's taken. The rest of our sites are reported to be doing well. There are very positive comments about this program and everyone wishes to have it continued. The Kenai City Boat Dock said the kids missed getting coupons for free ice cream cones from the Coast Guard and McDonalds this year. These were given out to kids wearing PFD's.

The contact names I have listed will contact you if they need PFD's or new signs for their areas. The Kenai Wildlife Refuge wishes to put sites up at the Swanson River Canoe Trailhead, Rainbow and Dolly Varden lakes (these are frequently used campground sites used by locals).

Please contact me if you have any questions. Thank you for funding this well worthwhile program.

Yours truly,
